

SEE HOW RIMAP CAN HELP

What is RIMAP?

The Rhode Island Marketplace Affordability Program (RIMAP) is a state-funded program that helps make health coverage more affordable when you enroll through HealthSource RI. RIMAP keeps monthly premiums within reach for Rhode Islanders who need the support most.

Tom and Sherry

Occupation: Early Retiree &
Self-employed Project
Management Consultant

Age: 61 & 62

Yearly Income: \$87,000

Income level: 402% FPL

Monthly Premium Cost Comparison: 2025-2027

Cost Savings Snapshot

2025:

\$587/month

2026:

\$2,256/month

2027 with RIMAP:

\$1,310/month

**\$946/month lower with RIMAP
compared to 2026!**

These are composite scenarios designed to reflect common circumstances, income levels, and ages of HealthSource RI customers, especially those who were most impacted by the expiration of the enhanced APTCs. They are not real individuals, but illustrative examples. Cost Savings Snapshot is based on benchmark plan rates. Data points in Monthly Premium Cost Comparison represent 8 selected plans across metal levels.
