

2019 SMALL GROUP MARKET PLANS • PREMIUMS BY AGE

Rates as of November 16, 2018. To calculate a rate for an employer group, HSRI adds the premium amount listed here for each person in the group. HSRI then averages across the group to develop composite rates for each family type. Employers can choose how much to contribute, and for Full Choice groups, employees can apply that contribution towards any HSRI plan.

For Coverage Effective July, August, September 2019
