

2020 SMALL GROUP MARKET PLANS • PREMIUMS BY AGE

For Coverage Effective October, November, December 2020

Rates as of November, 2019. To calculate a rate for an employer group, HSRI adds the premium amount listed here for each person in the group. HSRI then averages across the group to develop composite rates for each family type. Employers can choose how much to contribute, and for Full Choice groups, employees can apply that contribution towards any HSRI plan.
