IMPORTANT INFORMATION - PLEASE READ

Dear HealthSource RI Customer:

We are writing to inform you about a recent change in federal law. HealthSource RI (HSRI) will no longer be allowed to connect some customers with Advance Premium Tax Credits (APTCs). This change applies to customers:

- with household income that is below a certain amount AND
- who are lawfully present immigrants but do not yet qualify for Medicaid due to recent immigration status.

According to our records, you or someone in your household may currently qualify for APTCs because of these circumstances. Please contact us or update your application by October 8 if any of the following apply to you:

- You believe you are receiving this letter in error.
- It has now been more than five years since you obtained your lawfully present status.
- Your immigration status has changed.
- Your household income has changed.

Updating your application could allow you to keep your tax credits. For example, if your expected 2026 income exceeds 100% of the Federal Poverty Level (FPL) it may change your eligibility for APTCs. In 2026, 100% of FPL is \$15,650 for a 1-person household.

This change, passed by Congress as part of H.R.1, the legislation referred to as the "One Big Beautiful Bill Act," takes effect January 1, 2026. This change will not affect your coverage or the amount you pay for it through December 2025. Customers who are impacted will see these changes when they renew for 2026. They will still be able to purchase coverage, but it would be at full monthly premium price.

We're here to help in any way we can, whether by updating information or exploring different plan options when Open Enrollment for 2026 begins on November 1, 2025. You can reach our contact center at 1-855-840-4774, and you can call 211 or visit our website at healthsourceri.com/navigator to find out how to

You have a RIGHT to non-discriminatory treatment. In accordance with federal civil rights laws and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex (including gender identity and sexual orientation), religious creed, disability, age, political beliefs, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA. Programs that receive federal financial assistance from the U.S. Department of Health and Human Services (HHS), such as Temporary Assistance for Needy Families (TANF), and programs HHS directly operates are also prohibited from discrimination under federal civil rights laws and HHS regulations.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotope, American Sign Language), should contact the agency (state or local) where they applied for benefits. Individuals who are deaf, hard of hearing or who have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

CIVIL RIGHTS COMPLAINTS INVOLVING USDA PROGRAMS

USDA provides federal financial assistance for many food security and hunger reduction programs such as the Supplemental Nutrition Assistance Program (SNAP), the Food Distribution Program on Indian Reservations (FDPIR) and others. To file a program complaint of discrimination, complete the Program Discrimination Complaint Form, (AD-3027) found online at: <https://www.usda.gov/sites/default/files/documents/ad-3027.pdf>, and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

1. mail: Food and Nutrition Service, USDA
1320 Braddock Place, Room 334, Alexandria, VA 22314; or
2. fax: (833) 256-1665 or (202) 690-7442; or
3. phone: (833) 620-1071; or
4. email: FNSCIVILRIGHTSCOMPLAINTS@usda.gov.

For any other information regarding SNAP issues, persons should either contact the USDA SNAP hotline number at (800) 221-5689, which is also in Spanish, or call the state information/hotline numbers (click the link for a listing of hotline numbers by state); found online at: <https://www.fns.usda.gov/snap/state-directory>.

CIVIL RIGHTS COMPLAINTS INVOLVING HHS PROGRAMS

HHS provides federal financial assistance for many programs to enhance health and well-being, including TANF, Head Start, the Low Income Home Energy Assistance Program (LIHEAP), and others. If you believe that you have been discriminated against because of your race, color, national origin, disability, age, sex (including pregnancy, sexual orientation, and gender identity), or religion in programs or activities that HHS directly operates or to which HHS provides federal financial assistance, you may file a complaint with the Office for Civil Rights (OCR) for yourself or for someone else.

To file a complaint of discrimination for yourself or someone else regarding a program receiving federal financial assistance through HHS, complete the form on line through OCR's Complaint Portal at <https://ocrportal.hhs.gov/ocr/>. You may also contact OCR via mail at: Centralized Case Management Operations, U.S. Department of Health and Human Services, 200 Independence Avenue, S.W., Room 509F HHH Bldg., Washington, D.C. 20201; fax: (202) 619-3818; or email: OCRMail@hhs.gov. For faster processing, we encourage you to use the OCR online portal to file complaints rather than filing via mail. Persons who need assistance with filing a civil rights complaint can email OCR at OCRMail@hhs.gov or call OCR toll-free at 1-800-368-1019, TDD 1-800-537-7697. For persons who are deaf, hard of hearing, or have speech difficulties, please dial 7-1-1 to access telecommunications relay services. We also provide alternative formats (such as Braille and large print), auxiliary aids and language assistance services free of charge for filing a complaint.

This institution is an equal opportunity provider.
