

Public Records Requests

HealthSource RI adheres to the Access to Public Records Act, R.I. General Laws §38-2-1, et seq., and has instituted the following procedures for the public to obtain public records.

- We ask that you complete a Public Records Request Form. This is not a required step; however, it will help us document and respond to your request efficiently.
- You may access the Public Records Request Form below or by requesting it at our administrative office at One Capitol Hill, 3rd Floor, Providence RI 02908.
- The regular business hours of HealthSource RI are 8:00 am to 6:00 pm.
- If you choose not to use a Public Records Request Form, we ask that you make your request in writing.
- Public Records Request Forms or written requests for records must be directed to Ben Gagliardi, who has been authorized to process public records requests for our agency. You may leave your request at our reception desk (address above) or by contacting Ben Gagliardi in one of the following ways:
 - Email: Ben.Gagliardi@exchange.ri.gov
 - In Writing: HealthSource RI, ATTN: Ben Gagliardi, One Capitol Hill, 3rd Floor, Providence, RI 02908.
 - To reach HealthSource RI by telephone please call (401) 574-8211.
- You are not required to provide identification or the reason you seek the information, and your right to access public records will not depend upon providing identification or reasons.
- Please be advised that the Access to Public Records Act allows a public body ten (10) business days to respond, which may be extended by an additional twenty (20) days for “good cause.”
- If you feel that you have been denied access to public records, you have the right to file a review petition with the Attorney General. You may also file a lawsuit in Superior Court.
